

Monday Morning Arrival Procedures

Dear Parents,

As Mass will be moving into the GYM on Monday mornings, we have created new morning arrival procedures for MONDAYS ONLY. These procedures will begin on Monday, Sept. 18th and continue for the remainder of the construction period.

New Monday Morning Arrival Procedures:

- Monday morning carpool duty will be covered by PTO volunteers so teachers can be available to receive their students.
THANK YOU PARENTS!!!!!!
- At 7:40am, K-8th teachers will come to the gym and pick up their students and proceed to the classroom.
 - Any remaining students who come into the gym after the 7:40am pick-up, will walk directly to their classrooms.
 - Non-homeroom teachers will monitor students going to their classes.
- PK3 & PK4 teachers will be on duty in the gym beginning at 7:35am and will remain in the gym until 8:00am. At 8:00am students will proceed to classrooms.
- Any late students coming in after 8:00am, will sit with Ms. West on a set of bleachers in the back.
 - As classes arrive for Mass, late students will be sent with their classes.
 - Once Mass begins all later arriving students will stay in the back with Ms. West for Mass.
- While Mass is celebrated in the gym, students will STAND instead of kneel.
- Unfortunately, due to the limited amount of seating available in the gym, we will be unable to accommodate parents sitting with students once a month.
- Parents are still invited to join us for weekly school Mass and use available seating on the bleachers.

We know we will face some unusual challenges during this time of construction, but the payoff at the end of the journey is worth it!! We are truly grateful for your patience and support during this exciting time of transition.
